

Test Sheet

Stage 5 - Watch the learner, record evidence, make one change.

Test question

What do you want this test to teach you?

Learner task

What will the tester do?

Watch for

What actions, explanations, decisions, or pauses will you observe?

WHAT HAPPENED

Direct observations, quotes, actions.

WHAT DOES THAT SUGGEST?

Interpretation - keep it separate from observations.

ONE CHANGE WE WILL MAKE

Link the revision to something you observed.
